Dear Court Manager

Re. URGENT APPLICATION NOTICE; Case no. F01ED291; Parties: HANNAH HARIZ -v- DAVID RICHARD SMITH.

I recently submitted an application to be heard by the Court which I paid £255.00 for the privilege.

Firstly, I have not seen a seal copy of the application.

Secondly, this application has not been listed and I have heard no reference to this.

Thirdly, in the absence of the application being heard I would like a refund or credit note.

Failure to provide me with notification as to the process you will undertake will leave me little choice but to escalate this matter.

Yours faithfully

D R Smith
